

Request to create an IPIC Community

Communities are groups of members with a common professional interest. They can be based on issues, practice profiles, region – or any topic that meets member needs. Participation in Communities is open to all IPIC members. For more information on IPIC’s Policy on Communities, visit ipic.ca/committees.

To submit a request for the creation of a Community, please fill out the request below and have it signed by 10 IPIC members who would be willing to participate. Please submit your request to admin@ipic.ca.
